

Light Service Door

Model LS100

If you are looking to meet budgetary constraints and functionality our LS100 is the solution. The LS100 still meets strict hurricane zone approvals but is limited in the size.

- Light Duty Rolling Door
- Economically Priced
- High Velocity Hurricane Zone Approval
- Up to 16' Wide and 30' High
- High Security

Tradition with New Ideas

Manufacturing Rolling Doors since 1946
